

OUTSIDE THE WALLS

church isn't a building

REACHING MORE TOGETHER THAN WE CAN ALONE.

What is the Need?

- ▶ Lifesong is blessed to serve over 500 adoption partners. Through those partnerships over 6000 children have found loving families.
- ▶ Lifesong receives about 600 applications each year from Christian families who are seeking financial assistance with their adoption. Most of these families do not have a church fund to apply to and sadly, Lifesong does not generally have enough money to assist every family that applies.

How is a Need shared/met?

- ▶ If there is a great family with a legitimate need and Lifesong does not have money to assist them, we will share an open-handed, no pressure or expectation, invitation with a fund partner to ask if they will assist the family from their fund.
- ▶ The fund is expected to respond to the opportunity within 5 days, or ASAP, even if they do not feel led to assist the family.
- ▶ If a fund assists a family Outside the Walls, we will connect the family with the fund and ask the family to share a 'thank you' and to keep the fund updated as the adoption progresses. We want the fund to be able to celebrate with the family and with their church family.

"God has used the sacrifice of our brothers and sisters from another church body to answer our family's prayers for provision to bring our little girl home. Their generosity was confirmation from our Heavenly Father that He can always be trusted."

"Ministering outside the walls has been the lifeblood of our ministry. It keeps us actively engaged in people's journeys, in raising awareness and fundraising no matter who is applying to our fund. The need is great!"
